

## CHANGE NOTIFICATION INTIMATION LETTER

Dear User,

We are writing to inform you of a change to the components (bearing Catalog Number **#KBBA36 | FastNuclease™ Endonuclease Serratia Marcescens ELISA**)

This new ELISA kit version is effective from manufacturing month of January 2022 onwards.

Earlier Version Particular	Earlier Version No.2.0
Revised Version Particular	Revised Version No.3.0

We will no longer be shipping ELISA kits of the older version and this Version 3.0 takes precedence.

In Version No. 3.0, an additional standard dilution has been added and the assay range broadened and made more sensitive between 1 ng/ml – 256 ng/ml.

This change does not impact the product efficacy.

The labeling such as kit and component labels and the instruction for use will reflect the new version.

If you require any further information, please feel free to contact us.

With regards,
